

FOUNDATION OF THE ACAAI YOUNG FACULTY SUPPORT AWARD

Call for Applications

Deadline: August 17, 2009

The Foundation of the American College of Allergy, Asthma & Immunology invites young academic faculty members to apply for two \$50,000 grants to fund clinically relevant research projects involving basic research, innovative teaching, or delivery of care in an academic setting.

Criteria

1. Applicants must be ACAAI members and under 40 years of age OR within the first five years of medical practice in an academic environment; and
2. Grantees must agree to:
 - a. Submit to ACAAI an abstract on the results of their research. The abstract will be considered for presentation at its 2010 Annual Meeting; and
 - b. Allow the *Annals of Allergy, Asthma & Immunology* the right of first refusal to publish the results of the study.

Instructions

Applicants are requested to submit the following to the Foundation of ACAAI by August 17, 2009:

- * A brief biographical sketch and curriculum vitae;
- * A letter of recommendation from Section Chief or Department Chairman; and
- * A research plan, including specific aims, methods, procedures and objectives. Do not exceed three pages of description. Include an itemized budget and documentation, if applicable, that the proposed research was approved by the Institutional Review Board of the grantee institution. The grant is to provide salary support, supplies, equipment or research patient costs. No indirect costs or overhead allowance may be charged by the institution. (One complete copy of your research proposal and six copies with the investigator's name and institution deleted is required.)

Mail the above materials to:
