

ARE YOU INTERESTED IN ACAAI COMMITTEE WORK?

If you are not already on an ACAAI committee and are interested in being appointed to a committee in the future, please complete and return the form below.

Most committee appointments are for three-year terms, with chairmen appointed annually by the incoming president. Committees meet once a year during the ACAAI Annual Meeting and their work is accomplished via e-mail and occasional telephone calls.

We will make every effort to appoint all interested members to committees, as member involvement is crucial to the success of the College. If you are not selected for a committee appointment this year, your name will be kept on file for future openings. _____

Yes, I would like to be considered for appointment to the following committees (list in order of preference, 1-3, with 1 being first choice).
