## ACAAI PATIENT EDUCATION BROCHURES

<b>A01</b>	<b>Be S.A.F.E. Managing Allergic Emergencies (Anaphylaxis)</b> <i>Guide for patients at risk of anaphylaxis developed by the ACAAI and the American College of Emergency Physicians (ACEP)</i>
<b>A02</b>	<b>Managing Asthma and Allergies During Pregnancy</b> <i>Explains that the risks of treatment are less than the potential complications of uncontrolled allergy or asthma.</i>
<b>A03</b>	<b>Taking Control: A Guide for People with Asthma</b> <i>Based on the NAEPP Guidelines, emphasizes the patient's and the important doctor-patient partnership.</i>
<b>A04</b>	<b>Latex Allergy: Advice from Your Allergist</b> <i>Includes information on risk factors, symptoms, diagnosis, prevention and treatment.</i>
<b>A05</b>	<b>Food Allergies: Advice from Your Allergist</b> <i>Explains causes, symptoms, diagnosis, prevention and treatment.</i>
<b>A06</b>	<b>Insect Stings: Advice from Your Allergist</b> <i>Tips for avoiding insect stings, allergic symptoms and effective treatment, including information about venom immunotherapy.</i>
<b>A07</b>	<b>Rhinitis: Advice from Your Allergist</b> <i>The difference between rhinitis, sinusitis and colds, and how rhinitis is treated, plus a quick reference to medications.</i>
<b>A08</b>	<b>You've Been Referred to an Asthma Specialist</b> <i>A brochure that referral sources can give to asthma patients so they understand why they've been referred and what to expect.</i>
<b>A09</b>	<b>Asthma: Advice from Your Allergist</b> <i>Our most comprehensive brochure explaining asthma, its diagnosis and treatment, and the role of the allergist as an asthma specialist.</i>
<b>A10</b>	<b>When Should I See an Allergist?</b> <i>Tells when to consult a specialist and the scope of an allergist's practice.</i>
<b>A11</b>	<b>Asthma Life Quality Test</b> <i>The Life Quality (LQ) self-test with 20 yes/no questions to help people consider whether their breathing problems might be asthma . . . and for asthma patients to determine whether their disease is under control.</i>
<b>A12</b>	<b>Respire Profundo . . . Y Mejore Su Calidad De Vida!</b> <i>The Spanish-language version of the Life Quality (LQ) self-test.</i>
<b>A13</b>	<b>Kids: Don't Let Asthma Take Your Fun Away</b> <i>The Life Quality (LQ) self-test especially designed for youngsters ages 8-14.</i>
<b>A14</b>	<b>Parents: Don't Let Asthma Take Their Breath Away</b> <i>The Life Quality (LQ) self-test especially designed for parents of children up to age 8.</i>
<b>A15</b>	<b>Are Your Allergies Under Control? Or Do They Control You?</b> <i>A quiz that helps educate patients about immunotherapy.</i>
<b>A16</b>	<b>Take Control – A Survival Guide for Outsmarting Your Allergies</b> <i>Explains the three ways to take control of an allergy: Control the allergens. Control the symptoms. Control the body's reaction.</i>
<b>A17</b>	<b>Advice From Your Allergist</b> <i>Our most comprehensive brochure detailing diagnosis and treatment of rhinitis, urticaria, house dust, pet allergies and more.</i>
<b>A18</b>	<b>House Dust Allergy</b> <i>Includes information on symptoms, diagnosis, prevention and treatment.</i>
<b>A19</b>	<b>Recognizing Asthma in Your Young Children</b> <i>Focuses on symptoms, diagnosis and treatment of asthma in children.</i>
<b>A20</b>	<b>HOME: Home Allergy Management for Everyone</b> <i>Five tips for managing indoor allergies in the home.</i>
